

DISAM

SAM-IT Course Exercise 2 Using the: MILSVC Training Catalogs via CD and the Internet

17 May 2004

Note: This *Exercise/Guide* will show you how to use the **MILSVC Training Catalogs** as published on the SATFA, NETSAFA, AFSAT, SCETC, and Coast Guard web sites, and on their CD Rom disks. All users are reminded that the Catalogs published by the MILSVC International Training Agencies contain those courses belonging to that Military Service that have been entered into that service's international training MASL (Military Articles and Services List). Please take your time and follow the *step by step* instructions that are provided.

1. Using the SATFA Web Site Catalog

The SATFA web site provides: complete information about all Army courses in the Army MASL, information about their training activities or schools, points of contact for all country training managers, and information about requesting Army training from SATFA. The SATFA web site is probably the best of the MILSVC web sites, and provides the most complete information. So, let's use the SATFA web site as an example of a MILSVC international training web site.

Double-click on the **ITM Web Site** shortcut. (<http://www.disam.dsca.mil/itm/>)

Click on **SATFA**

Click on **SAT Course Catalog** in the **SATFA Web Page**

If you know the **MASL** (Military Articles and Services List)
ID that you want, just *enter* it in the box
and click on **Submit**

Or, click on **Refine your search** and

SATFA Green Book Web Site

Army School/Location Information

If you know the MASL ID for the course you are looking for, enter it below:

[Refine your search](#)

Type in a **key word** you think might be in the course **Title**.

Click on **Submit**

Refine your search

Search by course title/keyword:

Refined search results

MASL ID	Course ID	Course Title
B121181	2E-SI5S-5R/011-SQIV-G RANGER	
B121179	PRE-RANGER	ARNG PRE-RANGER
B279933	UNNUMBERED	RANGER INDOCTRINATION PROG

Or, in the **SATFA Green Book Web Site** on the previous page, just *scroll* down to view all of the Army **training activities** or **schools**

Click on the **EXA** code of the desired school
(Example – **BCG** for the **Infantry School**)

Clicking on **Ft Benning, GA** takes you to the Ft Benning web page.

Select EXA to view that school's IMSO information or LOCATION to view that school/Installation's web site.

EXA	School Name	Location

FY: 2004
School Code: 071
Course No: 2E-SI5S-5R/011-SQIV-G
Phase: 0
EXA: BCG
Course Description: RANGER
Effective Date: 10/1/2003
MASL ID: B121181
Cross Ref: BZ000000
Duration: 9
Required Security Clearance: None
ECL Set: 80SA
Scope: The course consists of three phases. The first phase is conducted at Fort Benning, Georgia, for 20 days. The second phase (mountains) is conducted near Dahlonega in the mountains of northern Georgia for 21 days. The third and final phase (swamp/jungle) is conducted at Eglin Air Force Base in the swamps of western Florida for 18 days. Two days at the end of the course are used for out-processing and graduation.

School Administrative Information

School Admin Information
 INFANTRY SCHOOL
General Information: 1. Fort Benning, Georgia is located just outside of Columbus, Georgia, a city with a population of 140,000 people. It is approximately 100 miles southwest of Atlanta, Georgia. Fort Benning is the Home of the Infantry for the United States Army. Student Arrival/Departure: (1) Airport. Students traveling to Fort Benning by air must fly into the Columbus, Georgia Metropolitan Airport. This usually requires the student to change flights in the Atlanta International Airport. Students must ensure they are ticketed all the way through to the Columbus Metro Airport. An International Student Training Detachment (ISTD), representative will meet students at the Columbus Airport. Students must inform ISTD of the arrival time, date, and flight number. Students should make every attempt to arrive during normal duty hours: Monday-Friday, 0900 to 1700 hours. Students should notify ISTD of any changes in the flight itinerary. After duty hours, inform the Brigade Staff Duty Officer of any changes. There is also a Military Liaison Office located in the Columbus Airport to assist students with any problems. (2) Privately Owned Vehicle. Students arriving at Fort Benning by Privately Owned Vehicle should report to ISTD, Building 399, Olsson Hall during duty hours. After duty hours, students report to the billeting desk at Olsson Hall for room assignments and then report to ISTD, in uniform, the next working day at 0800 hours. Billeting: (1) Unaccompanied Students. International students who are not accompanied by their families are assigned quarters in the Bachelor Officer Quarters (BOQ), located at Olsson Hall. The cost is \$20.50 per day. The ISTD will provide information on the method of payment for your billeting charges. b. Enlisted IMS unaccompanied by families will be billeted in Olsson Hall. Enlisted IMS under the International Military Education Training (IMET) program are not charged directly for their quarters. The charges are forwarded for payment. Enlisted IMS under the Foreign Military Sales (FMS) program are required to pay for all lodging at the

Click on **Back** to return to the **SATFA Web Page**

Click on **Regional Operations** on the **SATFA Web Page**

To find the **telephone number** and **E-mail address** of your SATFA Country Training Program Manager, *click* on the appropriate **Combatant Command branch**.

Exit the **SATFA web site**.

2. Using the SATFA CD

At the present time, SATFA is experiencing difficulty with this year's CD Rom disk.

3. Using the NETSAFA CD

The NETSAFA CD Rom disk provides essentially the same information for Navy training as you saw in the previous web site for Army.

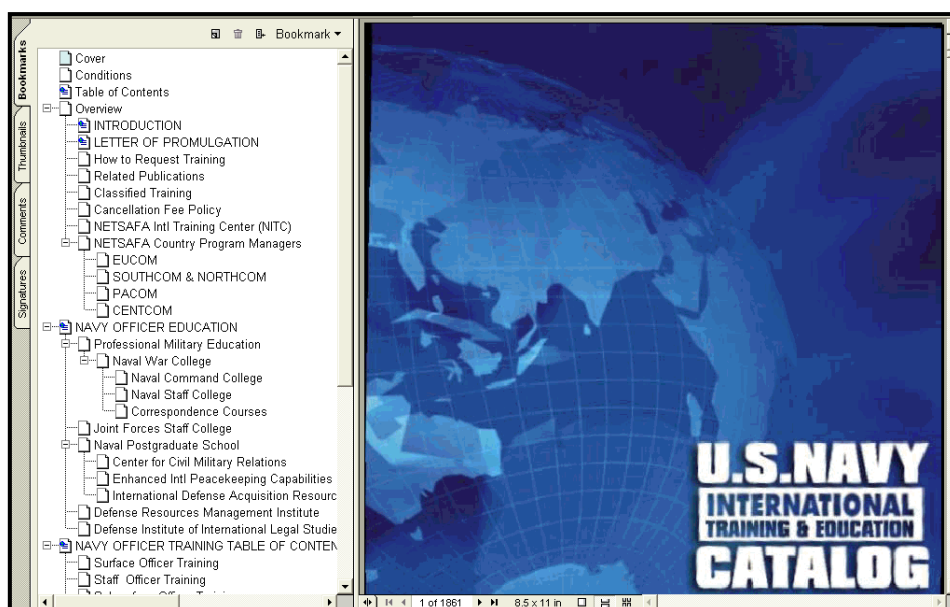

From your white notebook binder, *Insert* the **US Navy International Training and Education Catalog** CD in your computer.

The CD should open a My Computer screen automatically and show you the **NETSAFA Catalog.pdf** file. If it does not, simply open My Computer or Windows Explorer and select the CD Rom drive.

Double-click on the **NETSAFA Catalog.pdf** file.

Use the fully indexed catalog as you would any other similar Adobe document.

Click on the **indexed item** to view it.

Under **Overview**, *click*

on **NETSAFA Country Program Managers** and *scroll* through them to identify your Country Program Manager. Hint, *click* on the **document** on the right and then you can *scroll* through using **Page Up & Page Down**.

Click on **Navy Officer Education** and then scroll through that document.

When you get to one of the schools that lists its courses, *click* on one of the **MASL** numbers.

Center for Civil-Military Relations			
Many nations face an urgent need to recast civil-military relations along democratic lines and to strengthen civilian control over armed forces. Under the Expanded IMET Program, the President and Congress have recognized the need and provided for the education of international military officers, civilian officials and legislators. The Center for Civilian-Military Relations (CCMR) was established at the Naval Postgraduate School (NPS) in 1994 by the Defense Security Assistance Agency (DSAA). The Center provides a broad range of programs including Mobile Education (MET) and residence programs at NPS.			
Quota procedures: NETSAFA must first program a country's desired course(s) under the proper FMS or IMET program. Resident courses will be confirmed once dates are known. Quotas are normally readily available if proper notice is provided. MET dates will be confirmed after coordination and communication between the school and the SAO. NETSAFA must be kept notified during this process for planning and funding purposes.			
MASL	Title	CIN	Days
P170001	CCMR EXEC PRGM IN DEC MK		12
P171400	MET CMR CONUS PLANNING	MET-CMR	VAR
P171401	PLANNING PEACE OPS		19
P171402	DEFENSE RESTRUCTURING		12
P171404	INTELLIGENCE & DEMOCRACY		5

Click on the **Back** arrow button to return to where you were or just *click* on another **Navy school** in the left hand menu.

U.S Navy International Training and Education Catalog	
Detail Report for MASL P171403 / CIN	
MASL#:	P171403
Title:	689 A CIV-MIL RELATIONS
CIN:	
Days:	453
Location:	NAVPGSCOL MONTEREY CA
<p>Description: This five quarter curriculum (15 months) leads to the M.A. degree in INTERNATIONAL SECURITY AND CIVIL-MILITARY RELATIONS at the Naval Postgraduate School and provides the student with a comprehensive understanding of the real problems surrounding civilian oversight of a professional military in a democracy. The program is designed for military officers (O-3 to O-5) and equivalent civilian officials. International students in this curriculum are fully integrated with U.S. students at the Naval Postgraduate School. As part of the degree, the students are required to complete a thesis that deals with a significant civil-military issue for their country. The program is also designed to provide graduates with the tools they need to initiate and teach civil-military relations programs in their own countries.</p> <p>SPECIAL NOTE: Please see Section II of the U.S. Navy International Training & Education Catalog for further information regarding quota procedures.</p>	

Go ahead and *look* at any other **Navy schools** and **courses** that interest you. Remember that not *all* Navy courses are contained in the Navy MASL. There are many courses in the Navy CANTRAC (master Navy catalog) that have not been priced and offered for international use.

Click on **Course Listing by Title** and **Course Descriptions by MASL** for a complete listing of all courses. The **Search** function does not work.

Close the **NETSAFA CD** and *return* to your computer **desk top**.

4. Using the NETSAFA Web Site Catalog

The NETSAFA web site contains essentially the same catalog information you saw in their CD. However, contact information for the Country Training Program Managers is not provided.

Double-click on the **ITM Web Site** shortcut. (<http://www.disam.dsca.mil/itm/>)

Click on **NETSAFA**

Click on **US Navy Training Catalog** in the left hand menu.

Again, you see the same **US Navy International Training Catalog – Table of Contents** that you saw on the CD in the previous section.

Each of the Catalog items are hyperlinked. The Catalog is the same, you are just using on the internet.

However, you cannot see the NETSAFA Country Program Managers on the open Internet

Exit the **NETSAFA web site**.

5. Using the Air Force SAO Users Guide TPMR 2004 CD

The AFSAT provided **SAO Users Guide TPMR 2004** CD has been the only source of Air Force catalog information. AFSAT just recently made their catalog available on an AFIT .EDU web site. This, incidentally, was facilitated by DISAM.

Insert the **AFSAT** CD. It should start automatically in autorun and appear in a Power Point Show mode.

Click on **SAO Users Guide** on the **Main Menu** to go to the **AFSAT Security Assistance Training Program Users' Guide**.

This document is an excellent Guide for all aspects of Air Force training program management.

It is also available on the International Training Management web site at <http://www.disam.dsca.mil/references/XXXXXX.pdf>

Click on **Bookmarks** to be able to select any particular chapter or section of the Guide.

Click on the **small black x** (under the **Red X**) to close the **Guide**.

Click on **IMSO Directory** on the **Main Menu**.

The **IMSO Directory** provides **Point of Contact** information on all Air Force training activities and schools.

Click on the **Red X** to close the screen and return to the **Main Menu**.

United States Air Force Active AFIT Courses By MASL Sequence

02-May-04	USAF AFIT MASLs	Page 2 of 22		
D175146	EMERGENCY TECHNICIAN CRS	Location: W/P	Duration: 003 Wks	Qualifies for EMET: None
RESSG-EMT	Analysis Code: BL SET: Not Required	ECL Required: 80	Required OPI:	Security Classification: U
Prerequisite MASLs:				
Course Description: Covers all emergency medical techniques currently considered to be within the scope and responsibility of the basic EMT providing emergency care within DOD and Air Force emergency medical services. Consists of 33 lessons involving 110 hours of classroom and field training. Upon successful completion of this course, students are qualified to sit for the National Registry of Emergency Medical Technicians (NREMT) certifying examination. This course satisfies the Air Force basic EMT requirements defined by the 4N0 & 4F0 CFETP.				
Prerequisites: Assignment to Medical Service Specialty (4N0X1) or Aeromedical Specialty (4FOX1) is desirable. It is required that all medical units provide this initial training to their 4N0 & 4F0 personnel.				
D178007	LOGISTIC MANAGEMENT/GRAD	Location: W/P	Duration: VA Wks	Qualifies for EMET: Civilian

Location: SHE	ECL Required: 70	SET: Advised	Qualifies for EIMET: None
Duration: 014	Required OPI:	Analysis Code: BI	Security Classification: U

Course Description:
This course provides training for Air Force officers (new accessions), Air Reserve Force (AFRC/ANG) officers, and international officers entering the aircraft maintenance officer career field without regard to background, prior skills, or training other than specified in this catalog. The scope of training includes technical familiarization related to aircraft including support equipment, airframe principles, aircraft accessories, avionics, armament, and propulsion systems; munitions; Air Force publication systems; maintenance forms; maintenance organizations/functions; personnel management; financial management; Air Force maintenance programs; Air Force occupational safety and mishap prevention; environmental protection; nuclear weapons familiarization; planning; status and measurement; logistics; operations; unit level maintenance; contingency operations; and applied leadership. Fulfills a requirement for AFSC 21A1 upgrade.

Prerequisites:
Ability to converse and write fluently in the English language is essential for international students. ECL requirement is 70 SA.

Uniform Requirements:
All students must have the Air Force Service Dress, and AF Blues, Battle Dress Uniform. Students could be expected to wear any of the aforementioned uniforms at any time during the duration of their training.

Click on the **Red X** to close the AFSAT CD or press **Escape**.

6. Using the Marine Corps SCETC Web Site Catalog

The **Marine Corps SCETC Catalog** CD is not yet available, so we will use the **SCETC web site**.

Double-click on the **ITM Web Site** shortcut. (<http://www.disam.dsca.mil/itm/>) and click on **SCETC**

Click on **Security Assistance** in the left menu and then click on **Security Assistance Officer (SAO) Information**.

Click on the desired **informational item**

Click on **Publications** in the left menu

To download either of the publications listed, click on them and then click on the **.PDF file**. After it opens you can save it to your hard drive.

To go directly to **training courses**, in the menu on the right, *click* on the **drop down** box and then select the desired training.

Then *click* on the desired **course**.

WINTER MOUNTAIN LEADERS COURSE

MASL Number: P121030 **Length:** 6.6 weeks
Location: MCMWTC, BRIDGEPORT, CA **Sec Class:** U **ECL:** 70

Description: To train Officers and SNCOs to become more effective unit leaders and instructors as well as advisors and planners on a battalion staff level or higher during cold weather mountain operations. Students are taught classes in the planning of: winter warfare operations and training at the company and battalion levels, to include cold weather communications, mobility (ski and snow shoe), avalanche rescue techniques, ice breaching, ice climbing, cold weather medical evacuations, and cold weather training deployment exercises. **The final field exercise highlights all winter warfare skills in a challenging extended exercise over snow covered mountainous terrain exceeding 11,000 feet in elevation.**

Prerequisites: Second lieutenant through captains (O-1 - O-3), gunnery sergeant (E-7) and staff sergeant (E-6). **THIS IS A PHYSICALLY DEMANDING COURSE TAUGHT IN A RUGGED, HIGH ALTITUDE ENVIRONMENT.** International students should achieve 250 or better on the physical fitness test.

Uniform/Equipment Requirements:
(Provided by students)
Civilian clothing
Lock (key or combination)
Service sweater
Shoe polish and brush
Five pair work socks
Four accessory straps or elastic/stretch/
Four sets utilities w/utility cover
"bunji" cords
Two pair combat boots

7. Using the Coast Guard International Training Catalog

The **U.S. Coast Guard International Training Handbook** is exactly the same on both their web site and on the CD. The CD opens in your Internet Explorer browser. So, the following instructions are the same for each.

Insert the **U.S. Coast Guard International Training Handbook** CD or,

Double-click on the **ITM Web Site** shortcut. (<http://www.disam.dsca.mil/itm/>) and *click* on **Coast Guard**.

Click on **CG Headquarters Contacts** in the left menu to find the international training points of contact.

Maritime Law Enforcement

Maritime law enforcement (MLE) training provides the skills and knowledge required to carry out the USCG's responsibilities for enforcing U.S. and international laws and treaties in a variety of operational settings. Most well known is the USCG's counter-narcotics effort; however, MLE functions also include fisheries protection, enforcement of marine safety standards, and interdiction of illegal immigrants. The resident MLE courses focus on U.S. laws, while the mobile education and training teams (MET/MTTs) are tailored to specific host nation objectives.

BOARDING OFFICER (MLE-01)

E-IMET APPROVED

P173101
TRACEN Yorktown, VA
4.8 Weeks
ECL: 75

Description: This course is for the lead officer in a maritime law enforcement boarding team. The course is designed to provide a basic foundation in applicable legal concepts, practical experience in fundamental and advanced boarding procedures and techniques stressing teamwork and officer safety, and practical exercises involving administrative inspections, search, seizure, arrest, use of force, crime scene processing, case file preparation and courtroom procedures, communication, and intoxication identification. Students are assigned to two- and four-person teams. Teamwork is strongly emphasized throughout the course to foster the team approach to problem solving.

Prerequisites: Students must be service pistol qualified. Students must complete the physical fitness test that is described on Page III-47 of this Handbook satisfactorily. Students will be tested on the first day of the course, with one physical fitness retest (if necessary) within the first week. Students failing retest or not meeting the weapons qualification requirement will be disenrolled from the course.

Note: Students need soft-soled gym shoes and gym clothes, athletic supporter with cup for males, at least one padlock, and work uniforms. Students should be prepared for and expect a physically demanding course and should be in good physical condition.

Under **Course Course Data**, click **category of**

Example, click on **Enforcement.**

Descriptions and on the desired training.

Maritime Law

Example, *click* on **Training Center Yorktown**.

U.S. COAST GUARD TRAINING CENTER
Yorktown, Virginia

General Information

The U.S. Coast Guard Training Center (TRACEN) in Yorktown, Virginia is located at the eastern tip of Virginia's historic triangle of the colonial communities of Jamestown, Yorktown, and Williamsburg. Yorktown is about 150 miles south of Washington, D.C., and 50 miles north of Norfolk, Virginia.

Internet: www.uscg.mil/tcyorktown/
Telephone: (757) 856-2458/-2337
Fax: (757) 856-2316

Student Arrival/Departure Information

Airport: Newport News/Williamsburg International Airport (PHF)

Transportation: If an arrival message is received, every effort is made to meet students at the Newport News/Williamsburg International Airport (PHF). As an option, students also may take a taxi for approximately USD 15. An alternate, less preferred, airport is the Norfolk International Airport (ORF) in Norfolk, Virginia. Students arriving at the Norfolk International Airport (ORF) should take the transportation shuttle to TRACEN Yorktown; the shuttle is approximately USD 26, and taxi costs up to USD 60.

Check-In: Check-in for personnel who are pay grades E-6 and below is with the master-at-arms (MAA) at Lafayette Hall; personnel who are pay grades E-7 and above should report to Cain Hall. Students should report no earlier than the report date as indicated on the International Travel Order.

Briefing: In-processing begins at 1000 (although exceptions are made) on the day after arrival, usually a Thursday, in Hamilton Hall, Room 203.

Billeting

Berthing for students is provided at no cost. There are no phones in the rooms; calling cards for the pay phones are highly recommended. Officer barracks are two to a room; enlisted are four to a room. Students should be billeted at:

Under **Appendix**, there is an **Alphabetical Course Listing** and a **Course Listing by MASL number**.

8. Using the DLIELC Web Site

The Defense Language Institute English Language Center web site provides a lot of very useful information about available English Language training courses, testing and other services.

Click on **DLIELC** on the **ITM Web Page**.

Click on **Organization** for points of contact.

Click on **Language Testing** for information on English Language testing.

Click on **Frequently Asked Questions** for basic definitional information.

Click on **Courses and Materials** for information on English language courses and materials to be used in in-country English language training programs. Then click on **Descriptions of Courses and Support** to see course information.

Click in the **drop down** box for the desired category of training and then click on the desired **course**.

The image shows the 'DLIELC ONLINE CATALOG' page. The header includes 'DLIELC ONLINE CATALOG' and a 'Catalog Home' link. The main heading is 'Description of DLIELC Courses and Support Organizer Page'. The text describes the variety of resident courses at Lackland AFB, Texas, and mentions that pull-down menus provide access to course descriptions, schedules, and contact information. It also notes that DLIELC offers support to in-country English Language Training Programs (ELTPs), including nonresident courses. A note states that to sign up for these courses or obtain DLIELC's support, it is necessary to go through a Security Assistance Officer (SAO) or a Defense Attaché Officer (DAO) at the American Embassy in the user's country. Below the text are three sections, each with a dropdown menu: 'General English, Specialized English, and Advanced Training Courses', 'Instructor Courses', and 'Management Courses'. Each dropdown menu has the placeholder text 'Please select a topic'.

Courses Taught at DLIELC

General English, Specialized English, and Advanced Training Courses

- **American Language Course**, MASL IIN B/D/P177009

The course is variable in length (minimum 10 weeks), includes General English Training (GET) and Specialized English Training (SET) may be scheduled to start any week.
- **American Language Course (GET only)**, MASL IIN B/D/P177027

This course is variable in length (minimum 10 weeks), includes GET only, and may be scheduled to start any week.
- **American Language Course (SET only)**, MASL IIN B/D/P177008

This nine-week course focuses on language/study skills and terminology associated with technical training and professional military education. It may be scheduled to start any week. Students must achieve the ECL and OPI (if applicable) requirements for entry into the FOT course before entry into this course.

Exit the DLIELC web site.

9. A final comment on .MIL site access and the SCIP Portal

Access to .MIL web sites by SAO users who have local *foreign* Internet service providers is normally restricted by most US military installations. This is not true of the ITM Web Site, as it is in front of the firewall at WPAFB. It also is not true of web sites that have .EDU or .ORG addresses. The SAN is actually a .ORG address. The Security Cooperation Information Portal is going to host a PROXY server for our foreign address users. When this server is operational, users (with foreign addresses) will be able to log on to the SCIP Portal and then access the PROXY server. They will then be able to access .MIL sites because they will be identified as having a .US address. DISAM has been tasked to identify to SCIP all .MIL addresses to which SAOs are to have access. No firm operational date for the PROXY server has been given. There is already much valuable FMS Case status information available via SCIP. Access to SCIP can be obtained as follows:

At the following ITM Web Page address, you can obtain the required SCIP Registration Forms that must be completed and submitted to SCIP. There are two: one for US citizen employees and one for international persons. See: <http://www.disam.dsca.mil/itm/Automation/SCIP.htm>

To access the SCIP log in screen, *click* on **SCIP** on the ITM Web Page.

When you are finished

Please let your Instructor know.

THANK YOU for using this Exercise to acquaint you with the valuable information available on the MILSVC web sites. If you have any questions, please contact:
DISAM Training Functional Manager -- charles.collins@disam.dsca.mil
